1 EXPLANATION

2 The inclusion of this explanation does not constitute agreement with
3 the explanation's substance by the members of the general assembly.

4 This bill relates to the conduct of elections.

5 The bill requires all petitions relating to any elective
6 office, election, or the administration of elections to include
7 the printed name, signature, address, and phone number of the
8 person responsible for circulating each page of the petition.

9 The bill requires all ballots to include the seal of the
10 county auditor of the county of the county commissioner of
11 elections responsible for printing the ballot. The seal of
12 the county auditor shall contain the name of the county, the
13 word "county", and the word "Iowa", and may contain the word
14 "auditor". The seal shall not contain the name of the auditor
15 or any elected official.

16 The bill allows a county commissioner of registration to
17 cancel a voter's registration if the commissioner receives
18 notice of the voter's death from the federal social security
19 administration.

20 The bill sets the date for the drawing of lots for the
21 arrangement of candidates on a nonpartisan ballot to the
22 sixty-eighth day prior to the general election.

23 The bill adds provisions regarding the safeguarding of
24 confidential information to the oath taken by precinct election
25 officials.

26 The bill requires a voter who is attesting to the
27 identity of a registered voter who is unable to produce voter
28 identification to first provide proof of the attesting voter's
29 identity.

30 The bill requires the state commissioner of elections to
31 order election audits prior to all elections other than general
32 elections.

33 The bill requires a county commissioner of elections who
34 receives an incomplete application for an absentee ballot to
35 contact the voter and obtain the missing information directly

1 from the voter. The bill removes a provision allowing a county
2 commissioner of elections to obtain such information by the
3 best means available.

4 The bill allows a registered voter who becomes a patient,
5 tenant, or resident of a hospital, assisted living program,
6 or health care facility in the county where the voter is
7 registered to vote after the deadline for making a written
8 application for an absentee ballot to request an absentee
9 ballot during that period, including election day. Current law
10 allows a person who becomes so confined within three days prior
11 to the date of an election to request an absentee ballot.

12 The bill removes a special deadline for the receipt of
13 petitions for ballot propositions to approve the conduct of
14 gambling games in a county. The bill requires such petitions
15 to be submitted as required for other petitions.

16 The bill changes the withdrawal deadline for candidates for
17 school district office from 35 days before the election to 25
18 days before the election.

19 The bill repeals a section of 2017 Iowa Acts, chapter 155,
20 that was not codified and is inconsistent with current law.

21 The bill removes a provision making the willful false
22 swearing of an affidavit a fraudulent practice. Such conduct
23 remains election misconduct in the first degree.

24 The bill takes effect upon enactment.
